

ROUNDTABLE ON SYSTEMS CHANGE TO ADDRESS FGM/C PERSPECTIVES FROM STATE AND MUNICIPAL COALITIONS

Friday, June 23rd
12:00pm EST- 2:00pm EST

Preventing and responding to female genital mutilation and cutting (FGM/C) requires effective collaboration across systems. RTI International, a non-profit research and training and technical assistance firm, is pleased to host a roundtable featuring state and municipal coalitions and working groups from across the United States that work to address FGM/C.

This roundtable virtual event will include:

- A lightning round for each coalition or working group to explore their groups' origins, goals, successes, challenges, and future activities;
- a panel dialogue;
- and an audience question and answer session.

FEATURING COALITIONS FROM:

- Washington State
- Connecticut
- New York City
- Minnesota
- Greater Los Angeles
- Massachusetts
